

1 Field of application

These General Terms and Conditions of Sale (“**General Terms and Conditions of Sale**” or “**GTC**”) shall apply to all sales of biorefinery and co-products (“**Goods**”) by Lenzing Biocel Paskov a.s. with its registered office in Paskov, Czech Republic (“**Seller**”) to any buyer of the Goods (“**Buyer**”). These GTC are an exclusive part of Seller’s order confirmation (“**Order Confirmation**”) and govern the sale and delivery of the Goods. In the event of a continuous business relationship, these GTC shall also apply to future transactions in which no express reference is made to them. Unless otherwise agreed in writing, Seller expressly rejects the applicability of any additional or deviating terms and conditions of the Buyer. These shall not become part of the contract, irrespective of previous business transactions between the Seller and the Buyer, even if the Seller does not expressly object to them in individual cases. Deviations from individual points of these GTC confirmed in writing shall only apply to the agreed transaction and shall be interpreted restrictively; all other points of these GTC shall remain applicable without restriction.

2 Formation of contracts and process in ordering and allocation of budgeted quantities

2.1 All offers of the Seller are subject to confirmation, unless their binding nature is expressly confirmed by the Seller in writing. A legal transaction shall be effected at the earliest upon the issuance of the Order Confirmation of Seller or the Delivery of the Goods (as defined herein), whichever occurs earlier (“**Contract**”). “**Delivery**” means when the Seller has delivered the Goods in accordance with Clause 6 of these GTC.

If the Order Confirmation deviates from Buyer’s offer, the Contract shall be formed according to the Order Confirmation. If an acknowledgment of an Order Confirmation or any other correspondence of Buyer contains supplements to or deviations from the Order Confirmation, they shall not be deemed agreed upon and shall not be incorporated into the Contract.

In addition to the Order Confirmation and these General Terms and Conditions, the Contract shall include any additional terms and conditions specified by Seller in documents referred to or accompanying the Order Confirmation.

2.2 If Buyer notifies a quantity required for a certain time frame and Seller gives a capacity commitment for this, the orders shall be placed evenly over the defined time frame (in the case of annual quantities quartered over time windows of quarters, in the case of quarterly quantities tripled over time windows of months (“**Time Window**”). Unless otherwise notified by Seller in writing, Seller’s corresponding capacity

commitment shall lapse for quantities not ordered in a Time Window.

3 Prices and taxes

Unless otherwise specified on the Order Confirmation, all prices confirmed by Seller are in CZK and are FCA Paskov, Czech Republic (Incoterms® 2020) and do not include any applicable sale, use or other taxes, or other governmental charges imposed upon the production, shipment, sale or use of the Goods covered hereby (“**Additional Charges**”), all of which shall be paid by the Buyer to (i) the Seller upon issuance of an invoice by the Seller to the Buyer for any such Additional Charges, or (ii) to the relevant taxing authority, as required by the relevant taxing authority.

4 Payment terms

4.1 No payment shall be deemed to have been received until the Seller has received cleared funds in its bank account. Payment is due by the date and in accordance with the payment terms and instructions stated on the Order Confirmation or Seller invoice (whichever date is the earlier). However, Seller may, in the circumstances described in Clause 11.3 or otherwise at its discretion, require prepayment of the price of the Goods and/or some other form of security for payment prior to shipment. If neither the Order Confirmation nor Seller invoice nor any other arrangement between Seller and Buyer specifies a date by which payment must be made, payment in full will be due within 10 days of the date of receipt by Buyer of Seller’s invoice for the relevant Goods. In case of partial deliveries, the Seller is entitled to submit partial invoices. Seller shall be entitled to demand payment in full for the Goods without any withholding including for VAT or other forms of taxes, notwithstanding that ownership in any of those Goods has not passed from Seller to Buyer. Where a discount is granted in the Order Confirmation, such discount will only be allowed upon payment being made by the due date (or earlier date stated on the Order Confirmation for the purpose of obtaining the discount). Such discount may be rescinded or canceled by Seller if payment is not made by the due date, in which case the full undiscounted amount shall be due by the Buyer. If Seller accepts bills of exchange or checks, this shall be on account of payment only.

4.2 Payments received will be credited against the oldest outstanding invoice plus any interest accrued thereon by reason of late payment. Seller may offset sums received from Buyer against any debt due to Seller from Buyer, irrespective of any purported appropriation or apportionment by Buyer. Buyer may not withhold payment of any invoice or other amount

due to Seller by reason of any right of set-off, counterclaim, discount, deduction, withholding, abatement or otherwise which Buyer may have or allege to have or for any reason whatever.

- 4.3** If Seller does not receive payments in due time in accordance with Clause 4.1, Buyer shall pay Seller interest on the outstanding balance from the due date at the rate of 12% per annum or the maximum rate permitted by law (if lower). The Buyer shall compensate the Seller for any currency losses suffered by the Seller as a result of the Buyer's failure to pay on the due date for payment or where Buyer does not pay in the currency as quoted in the Order Confirmation.
- 4.4** Incidental expenses associated with payment, such as fees for shipping documents, collection or discount charges for checks or bills of exchange, bank and transfer charges, dunning or collection costs, etc., shall be borne by the Buyer and shall be due for payment immediately.
- 4.5** Should special obligations of the Seller or instructions to the Seller result from credit insurance or other insurance, in particular in the case of default in payment, the Seller shall be entitled to impose corresponding obligations on the Buyer or to give instructions to the Buyer.

5 Collection

In the event that Seller retains a collection agency or other third party to collect any amount owed by Buyer, or institutes legal proceedings to collect such amount or to enforce any right related to the sale or purchase of the Goods, including enforcement of any security interest granted by Buyer, Buyer shall reimburse Seller for all collection agency and other third party fees and costs and all costs incurred by Seller in such legal proceedings, including, but not limited to, attorneys' fees.

6 Delivery, risk of loss, packaging and retained security interest

- 6.1** Delivery dates quoted by Seller in a quote or on the Order Confirmation are the dates the Goods are scheduled by the Seller to be ready for shipment, and are given or accepted by Seller in good faith but are not guaranteed. In the event of delivery bottlenecks, the Seller is entitled to postpone deadlines. Partial deliveries are permissible unless otherwise stated in the Seller's Order Confirmation. Notwithstanding that the Seller may have failed to deliver the Goods (or any portion thereof) promptly, the Buyer shall be bound to accept and to pay for the Goods in full.

If the type designation or other information relevant for the delivery is missing on the Buyer's order, the

Buyer is obliged to notify the Seller of the relevant information without delay. In case of delay in notification, the Seller shall have the right to postpone the delivery date according to its own discretion.

- 6.2** The Buyer shall be responsible for all storage, insurance and other costs relating to Buyer's failure to accept Delivery and all such charges incurred by the Seller shall be paid by Buyer within 30 days of submission of an invoice. In addition, if Buyer fails to take Delivery of the Goods or fails to give the Seller adequate delivery instructions, documents, licenses or authorizations to enable the Seller to deliver at the time stated for Delivery then all risks in the Goods will pass to Buyer, the Goods will be deemed to have been delivered and without prejudice to any other right or remedy available to Seller, Seller may sell the Goods at the best price readily obtainable and, if the Buyer has already paid the purchase price, pay the Buyer the purchase price paid (after deducting all the said storage, insurance, selling expenses, and other costs relating to Buyer's failure to comply with the Contract). If the proceeds obtained from the replacement sale are lower than the purchase price agreed with the Buyer, the Seller shall be entitled to charge the Buyer for this difference (plus the costs of storage, insurance and other costs due to a delay in acceptance by the Buyer).

- 6.3** Unless otherwise specified on the Order Confirmation, the Delivery of all Goods shall be FCA Sellers' facility in Paskov, Czech Republic (Incoterms® 2020), and risk of loss or damage to the Goods will pass to Buyer on Seller's Delivery of Goods for pickup by the carrier. Following Delivery, any claims for losses or damage shall be made directly by Buyer against the carrier. If the Order Confirmation specifies a term other than FCA (for example, CPT or CIP), Delivery shall be in accordance with such Incoterm 2020, including the allocation of risk of loss or damage, and costs.

Seller may reject transports, containers or storage presented for loading/unloading/transfer or handling which, in Seller's sole discretion, would present an unsafe or potentially an unsafe situation.

For all Deliveries, Buyer is solely responsible for offloading or unloading all Goods.

To the extent Buyer fails to offload or unload the entire quantity of Goods from the transport or container utilized for shipment (i) any residual or remaining Goods shall be deemed to have been abandoned by Buyer for the beneficial use or re-use by Seller, and will become the property of Seller when received and accepted by Seller at the place of origin; (ii) Buyer will not receive credit, payment or other consideration for any such residual or

remaining Goods; and (iii) Buyer is solely responsible for the transportation of such residual or remaining Goods (including freight charges, shipping documents, and compliance with all laws related thereto) until received and accepted by Seller at the place of origin. If the Seller or its carrier is unable for any reason to place the Goods on board ship or other form of transport upon their arrival at the port/place of shipment, a warehouse receipt for the Goods shall be treated as receipt of Buyer.

6.4 The Buyer shall accept Goods delivered by Seller in weights or quantities varying by not more than 10% from the Contract weight or quantity, and shall pay, pro-rata for the actual weight or quantity delivered. The weight or quantity stated on Seller's packing list shall be conclusive evidence of the amount delivered to and received by Buyer except in cases of manifest error.

6.5 The Goods shall be provided or delivered in the manner or packaging customary with the Seller. Damaged or unreturned Euro pallets may be invoiced by the Seller. Special packaging requirements will be subject to a non-refundable additional charge. Buyer shall comply with all applicable laws and regulations, as well as return, disposal and other requirements relating to packaging as specified in the Seller's Order Confirmation.

7 Seller's warranty

7.1 The Seller warrants that, upon Delivery, the Goods:

- are sold with good title; and
- will, subject to Clause 7.4 and 7.5 below, (i) comply in all material respects with the Seller's current published product data sheets or (ii) where there are no product data sheets, that they comply in all material respects (subject to the tolerances referred to in Clause 6.2 above) with any specification appearing on the Order Confirmation (the "**Seller's Warranty**") and (iii) are made with sound materials and workmanship to normal standards for these Goods.

The Seller's Warranty is given on the condition that any instructions (oral or written) of Seller relating to the Goods (including, but without limitation, their storage or use) and good trade practice are strictly complied with.

Customary deviations in the appearance and properties of the contractual goods, which are due to unavoidable variations in the quality of the raw materials and/or the manufacturing process, shall be deemed to be in accordance with the Contract and

shall not give rise to any rights or claims whatsoever on the part of the Buyer.

7.2 Buyer shall examine the Goods immediately upon receipt. Buyer shall immediately notify the Seller, and in any event within 3 days of receipt of Goods, of any incomplete or failed Delivery, loss or damage during shipment. If the Goods otherwise fail to comply with the Seller's Warranty, Buyer must notify the Seller within 15 days after the date when Buyer became or ought reasonably to have become aware of any of the above, and in any event before the earlier of:

- 3 months from the date of Delivery; and
- 30 days after the Goods have been used or put into process.

Buyer shall be treated as having waived all claims connected with the matter which should have been notified and deemed to have accepted the Goods and Seller shall have no liability whatsoever to Buyer in respect of those Goods if Buyer does not so notify Seller or makes any further use of such Goods after giving such notice.

7.3 In the event of a claim for a defect, Seller shall be given the opportunity to inspect the goods in question itself or have them inspected by a third party. In doing so, Buyer shall ensure that the Seller incurs the lowest possible costs as a result of this provision. Subject to Clause 7.2, if it is shown to the Seller's reasonable satisfaction that the Goods fail materially to comply with the Seller's Warranty or there was an incomplete or failed Delivery, or loss or damage during shipment, Seller shall be given a reasonable opportunity to correct such failure. If Seller does not or is unable to do so, Seller will, at the Seller's option, either refund the price of the Goods at the pro rata Contract rate (or, if the Goods have depreciated for reasons other than the Seller's default or have been used or put into process, a reasonable part of the net Contract price), or replace the Goods (or the defective part of the Goods) (if reasonably practicable) within a reasonable time, free of charge. Such correction, refund or replacement shall be Seller's sole liability in relation to any such failure. Replacement of the Goods are covered by these General Terms and Conditions, including the Seller's Warranty. Goods which are alleged not to comply with the Seller's Warranty shall as far as possible be preserved for inspection by Seller, and if replaced or if a refund is made shall be returned to the Seller (at the Seller's cost) if the Seller reasonably so requests. Buyer's sole and exclusive remedy for non-

conforming Goods is the refund or replacement specified in this Clause 7.3.

Buyer shall keep the damage as small as possible in case of a complaint.

7.4 Clause 7.1 and the Seller's Warranty does not apply to Goods sold with the express indication that they do not meet the specifications agreed as a rule ("**Out of Spec Goods**" or "**OOS Goods**"). For the avoidance of doubt, Clauses 7.2 and 7.3 do not apply to the Out of Spec Goods, except with respect to an incomplete or failed Delivery, or loss or damage during shipment.

7.5 Seller reserves the right to amend the specification of the Goods, which amendment shall be applicable to all Goods not yet subject to an Order Confirmation, in particular if required by any applicable statutory, regulatory or governmental requirements. In such a case, the Seller shall promptly inform the Buyer about the amended specification.

ASSISTANCE, FOR A FEE UNDER A SEPARATE WRITTEN CONTRACT WITH BUYER.

9.6 THIS CLAUSE 9 APPLIES NOTWITHSTANDING ANY FUNDAMENTAL BREACH OR BREACH OF A FUNDAMENTAL TERM OF THE CONTRACT BY SELLER.

10 Force Majeure and other conditions

10.1 Seller shall not be liable to Buyer for any breach or damages of any kind in the event that the failure to comply with the Contract relates to any circumstances whatever (whether or not involving Seller's negligence) which are beyond Seller's reasonable control and which prevent or restrict Seller from complying with the Contract ("Force Majeure Event"), including but not limited to:

- a. a delay in the granting of any license(s) or a revocation of licenses required for the Goods in whatever manner; or
- b. acts, restrictions, regulations, by-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority; or

10.2 Seller may suspend or terminate (in whole or in part) its obligations under the Contract without liability of any kind to Buyer, if, due to any circumstances whatever beyond Seller's reasonable control:

- a. the Seller's reasonable ability to manufacture, supply, deliver, or acquire materials for the production of the Goods by the Seller's normal means is materially impaired (whether or not involving Seller's negligence); or
- b. a significant collapse of the market for cellulose fiber products and the demand for cellulose fiber products occurs, so that it would be reasonably uneconomic for Seller to continue to perform its obligation to produce the Goods, which are a by-

product of Seller's principal business of manufacturing cellulose fiber products.

- 10.3** Seller may suspend or terminate its obligations under the Contract (in whole or in part) with 3 months' notice, without being liable to the Buyer in any way, if the Seller is permanently unable to ensure compliance with the agreed specifications due to a change in the production process of pulp or fibers (in the framework of which the Goods are also produced as by-products).
- 10.4** In the event of a Force Majeure Event as set forth in Clause 10.1 or the circumstances described in Clauses 10.2 and 10.3 above, Seller will give Buyer a written notice of the existence of such circumstances, the nature of the event and its expected duration. Seller may choose to terminate the Contract (or any part of it), without any liability, upon the occurrence of a Force Majeure Event or the circumstances described in Clause 10.2.

11 Termination and suspension

- 11.1** No order which has been accepted by Seller may be canceled or postponed by Buyer except with Seller's agreement in writing and on terms that Buyer shall indemnify Seller in full and on demand against all loss, costs (including all labor and materials used), damages, charges and expenses incurred by Seller as a result of the cancellation or postponement.
- 11.2** Seller may (without prejudice to its other rights or remedies) terminate or suspend Seller's performance of the whole or any outstanding part of the Contract in the circumstances described in Clause 11.3 without any liability and all sums outstanding from Buyer to Seller on any Contract or other contract between Seller and Buyer shall become payable immediately and/or Seller may exercise any of its rights pursuant to Clause 12. Seller may also suspend deliveries while investigating any claim relating to prior shipments (under any Contract or other contract between Seller and Buyer) of Goods.
- 11.3** The relevant circumstances are if:
- a. Buyer fails to take Delivery of the Goods by the date required under Clause 6.1. or fails to pay for the Goods by the due date or breaches any other term of the Contract or does not comply with the requirements of Seller's credit insurance or any other insurance applicable to the Contract or any

- other contract for the sale or purchase of goods or services between Buyer and Seller; or
- b. Buyer does not obtain or loses coverage from the Seller's credit insurance; or

 - d. Seller has reasonable grounds for suspecting that an event in Clause 11.3(b) has occurred or will occur, or that Buyer will not pay for the Goods on the due date, and so notifies Buyer; or
 - e. Seller's production costs (including costs of all labor and materials used) in relation to the Goods specified in any Order Confirmation materially exceed the purchase price agreed with Buyer in such Order Confirmation for such Goods.

- 11.4** In addition, Seller shall have the right, by notifying Buyer, to suspend deliveries under the Contract and/or any other contract the Seller may have with Buyer (even though Buyer is not in arrears with any payment) if Seller considers that the amount outstanding in the account of Buyer (whether actually due for payment or not) has reached the limit to which

Seller is prepared to allow credit to Buyer, whether or not such limit has been notified to the Buyer.

- 11.5** If Buyer provides Seller with security for the Contract price, reasonably acceptable to Seller, within 3 working days after a notice has been given under Clause 11.3(c) or 11.4, Seller shall withdraw the notice.

12 Retention of title

- 12.1** Seller shall retain title to the contractual goods until the purchase price including any ancillary claims has been paid in full. In the event that the contractual goods are processed, combined or mixed, the retention of title shall continue to apply to a share in the value of the resulting products corresponding to the contractual goods.
- 12.2** Buyer is obliged to insure the Goods against the usual risks as long as they are the property of the Seller.
- 12.3** In the event of a default in payment by the Buyer, the Seller shall be entitled to the surrender of the contractual goods. The assertion of this claim itself shall not constitute a rescission of the Contract by the Seller. If Seller accordingly takes back the Goods and does not withdraw from the purchase contract, Seller shall be entitled to realize the Goods taken back for Buyer's account and to satisfy Seller's outstanding claims from the proceeds.
- 12.4** Until the Goods have been paid for in full, Buyer may not pledge them to a third party, transfer them by way of security or otherwise encumber them with the rights of third parties. In the event of resale of the contractual goods or a product before expiry of the reservation of title (see 12.1), the Buyer hereby assigns the purchase price claim against the third party to the Seller by way of security.
- 12.5** In the event that a third party, including a state seizure, seizes the goods subject to retention of title, the third party shall be informed of the Seller's rights and shall immediately notify the Seller in writing of the seizure and its details.

13 Safety conditions
